

DART Rider News Notice

DART First State

Delaware's Public Transportation Provider

A Division of DeIDOT

July 14, 2010 3:00 PM

This DART Rider e-mail notice is sent to you as part of our continuing effort to keep you aware of the services and programs we offer, and news, including service changes, rider alerts, and system improvements.

High Water Alert for Claymont Station – Once again there is high water in the underpass at Claymont Station. Although Claymont Station is open, DART recommends that passengers use either the Wilmington or Marcus Hook Stations. This event will mostly affect northbound traffic.

DART'S Operator Training Program Promotes Rider Safety – With the introduction by DART of the initial VigilVanguard system in 2007, DART drivers were provided instruction and training in vehicles, on roads, and under varied driving conditions. The second VigilVanguard was purchased by DTC in 2009. The goal of DART is to improve safety and the VigilVanguard system is playing a key role in attaining that goal. With the VigilVanguard system, drivers can see almost instantly how they are driving and identify areas for improvement. As a result, DART drivers seek to keep the customer experience in mind and to be sure that the ride is safe.
