NOTES

Sunday service is a pilot program that will be evaluated periodically to determine continuance of service.

How to Use This Schedule

- Open schedule and you will find a bus route map and service timetables. Monday through Friday service is listed on one side of the schedule, and if Saturday or Sunday service is provided, this information is either listed beneath the weekday timetables or on the other side of the schedule. There is no holiday service.
- Find the timetable showing the direction you want to travel. In our example we show "From End of Line To Downtown".
- Only some of the many bus stops are shown at the top of the timetable and route map. Find the circled letters closest to where you want to take the bus and get off the bus.
- To find your arrival time, read down the list of times under the location letter closest to where you want to get off. To find your departure time, look to the left in the same line of times under the location letter closest to where you want to board the bus. In our timetable example, if you wanted to use the Maple Avenue bus stop and arrive downtown before 8 AM, you would take the bus arriving downtown at 7:40 AM. This bus leaves your Maple Avenue bus stop at 7:25 AM. The next bus does not stop at Maple Avenue.
- Look left from the time you take the bus and you will see the Bus Destination Sign. Our example shows your bus will have a "Maple" destination sign.
