Getting There Starts Here

HOW TO USE THIS SCHEDULE STEP-BY-STEP

If you need help reading the schedule or riding the bus, please call 1-800-652-3278.

1. On the center pages of this schedule find the bus route map.
2. Look at the map and see if there is a bus stop near you. Do this for both the starting point of your trip and the ending point of your trip.

Note: Major timepoints are identified on the route map. All bus stops are listed on the schedule for Routes 206 and 212.

3. When you have found the bus stops that are closest to where you live and where you are going, determine which route serves those stops. The route number is found along the line on the map where your stops are located. If the stops are located on two different routes, you will have to board the 2nd route at a common bus stop location or at the Georgetown Transit Hub.

4. Find the bus route schedule you will be using. First, check the **arrival** times for your destination, to make sure you catch a bus that will get you where you are going by the time you need to be there. Then, read **UP** that same column until you reach the bus stop from which you will be leaving. If it is not a major timepoint listed in bold, you must estimate time of bus arrival.

Follow these same instructions to plan your return trip.

COMO USAR EL HORARIO DE LOS AUTOBÚS - PASO A PASO

Si necesita ayuda leyendo el horario o viajando el autobús, llame al 1-800-652-3278.

1. En el centro de este folleto encuentre el mapa de las rutas.
2. Mire el mapa y encuentre la parada más cerca de usted. Haga esto para empezar y terminar su viaje.

Nota: Los mayores puntos están identificados en el mapa de ruta. Todas las paradas de los autobuses se encuentran en el folleto para las rutas 206 y 212.

3. Cuando usted encuentra la parada de autobús más cerca a donde vive y adonde va determine que ruta sirve estas paradas. El número de la ruta se encuentra a lo largo de la línea del mapa donde se encuentran las paradas. Si las paradas se hallan en dos rutas diferentes usted tiene que coger la segunda ruta en la parada de Georgetown.

4. Encuentre la ruta de autobús que va a usar. Encuentre la hora de llegar a su destino para estar seguro de que puede coger el autobús que lo llevará a su destino a la hora que usted tiene que estar allí. Ahora lea para arriba en la misma columna de tiempo hasta que llegue al tiempo que está en la misma fila del sitio adonde va salir. Si no hay mayores tiempo que están escritos, necesita que calcular el tiempo de la autobús.

Siga las mismas instrucciones para su regreso.
