

## May 2014 Rider of the Month

Laura Wilburn, who rides DART Routes 6 and 33, is your May Rider of the Month. Thanks for riding Laura and Congratulations!

“Laura does not own a car, and is a strong and committed advocate for green transportation. She lives in Newark and works 3 jobs in Wilmington, although she will soon be moving to Wilmington. Laura takes a bus or bikes wherever she needs to go. She often combines busing and biking and can load or unload her bike from the bus with one hand within seconds. Laura has become familiar with a number of the other riders and enjoys chatting with them on the bus.”
