

Bus Fare Fraud...It's Not Fair

Are you participating
in fraud, perhaps
without realizing it?
Please honor the DART Fare System
and help reduce fraud.

As of June 1st, when using a DARTCard to purchase a Daily Pass, you may only purchase the number of passes that correspond to the number of boarding passengers at the time of purchase.

Please remember when paying a reduced fare or using a Red DARTCard, you must show ID to the Operator.

Passes must be activated on the bus at the time of purchase.

Only purchase DARTCards from authorized DARTCard ticket stores.
