

Fare Change Notice

EFFECTIVE

July 1, 2017, DART's Non-ADA Demand Response Fare will increase to \$6.00.

The Americans with Disabilities Act (ADA) ensures individuals with disabilities comparable transportation within $\frac{3}{4}$ mile of a local fixed route.

As a result of a previously approved phased increase to DART Paratransit fares, beginning July 1, 2017, the Non-ADA Demand Response Fare will be \$6.00. Both the ADA Paratransit and County Connector Fares will remain at \$4.00.

If both the beginning and ending points of a trip are within the $\frac{3}{4}$ mile of a local fixed route during the days and hours the route operates, it is an ADA Paratransit trip and the fare is \$4.00. If not, it is a Non-ADA Demand Response trip, resulting in a \$6.00 fare.

The fare for your specific trip will be confirmed at the time of your reservation.

If you have specific questions regarding fares or to determine if you qualify for a Regular Bus (Fixed Route) Reduced Fare, visit www.DartFirstState.com or call 1-800-553-3278, Option 5.
